

PRIMA TECH USA

“We are providing **quality** solutions, not just selling vaccinators”

FOR IMMEDIATE RELEASE

Prima Tech USA is pleased to provide customers with another quality solution, Prima Lubrication Oil. Prima Tech USA uses a specially selected lubricant in its syringes. This food grade manufacturing hydraulic oil is an anti-wear lubricant, which is specifically designed for use in the food and beverage processing and packaging industry. The product is based on a special blend of base fluids and selected additives chosen for their ability to meet the stringent requirements of the food industry. It is registered by the National Science Foundation and meets the guidelines of the US Department of Agriculture Food Safety and Inspection Service for use as a lubricant with incidental food contact.

Ask your animal health supplier for the new Prima Lubrication Oil packaged in a convenient 2 ounce bottle. For more information, call Prima Tech toll free at 888-833-7099 or visit our website at www.primatechusa.com.
